DESCRIPTION

LUBRIPLATE Pure Tac Light is an extreme pressure, NSF H-1 registered food grade grease which may be pumped through an automatic greasing system to lubricate bearings and open gears at food, beverage, and pharmaceutical processing facilities. It is manufactured with pure USP mineral oil, polymers and other additives which are approved by the FDA 21 CFR 178.3570. LUBRIPLATE Pure Tac is very adhesive and highly resistant to water and caustic washdown solutions.
